MORE FLEXIBLE FINANCING OPTIONS! EQUIPMENT LEASING & FINANCING!

EXCLUSIVE *CAPITAL FUNDING GROUP* SOLUTION:

Customers can acquire equipment they need and leverage cash deployment.

DEFERRED PAYMENTS:

60 Days with no payments

90 Days with no payments

120 Days with no payments

7 X \$100 PROGRAM:

The customer simply pays a \$100 deposit and the following 6 monthly payments are only \$100.

The remaining 30,42 or 54 payments are at the normal payment.

Available on 36, 48 and 60 month options only.

6 X \$99 PROGRAM:

The customer simply pays a security deposit of two \$99.00 payments.

This is equal to two Security Deposits totaling \$198.00.

Their first six payments are \$99 followed by 30, 42 or 54 payments at the determined rate factor.

STEP UP PAYMENT PROGRAM:

The Step up program gives an effective advantage to many of your customers who are particularly interested in maximizing their benefits versus cost during their first year of equipment use.

The step up rate program has reduced payments for the first twelve months.

Available on 36, 48 and 60-month terms only.

ANNUAL PAYMENT PLAN:

For your customers who request annual payments, Capital Funding Group can fit those needs.

One payment in advance is collected to start the term.

SEASONAL PAYMENT PLAN:

The seasonal payment plan allows flexibility for customers who have fluctuating time periods of higher and lower revenue production on an annual basis.

To utilize this plan, designate which 3 consecutive months the customer requires off.

Capital Funding Group will calculate the remaining 9 payments each year.

RESIDUAL PROGRAMS:

We offer several residual options including \$1.00, 10%, 20% and 30% residuals.

The customer can ask for a 20% or 30% residual in order to keep their payments lower. Several options are available at the end of the term.
